Welcome Letter

Dear Participants,

Welcome to 2018 the 2nd International Conference on Sustainable Energy Engineering (ICSEE 2018). The objective of the conference is to provide a premium platform to bring together researchers, scientists, engineers, academics and graduate students to share up-to-date research results.

We are confident that during this time you will get the theoretical grounding, practical knowledge, and personal contacts that will help you build a long-term, profitable and sustainable communication among researchers and practitioners in the related scientific areas.

We wish to express our thanks to our distinguished speakers, Prof. Joe Dong (IEEE Fellow), Prof. Udaya K. Madawala (IEEE Fellow), Prof. Tyrone Fernando, Prof. Dylan Lu, Prof. S. M. Muyeen, Prof. Zhen Li and other distinguished scholars for sharing their deep insights.

Special thanks to all reviewers, researchers and students who participate in the conference with their works.

Hope you could enjoy the conference and have an unforgettable experience in Sydney!
