

2020 4th International Conference on Sustainable Energy Engineering (ICSEE 2020) will take place in Beijing, China on May 23-25, 2020. ICSEE 2020 will offer an extensive program of interest to academia, government and industry. It will include several distinguished keynote speakers and three conference days full of papers, posters, etc. A exciting speeches to develop skills and advance awareness of requirements engineering are of particular interest to industry.

Conference Committees

General Chairs

Zhixin Wang, Shanghai Jiaotong University, China
Dylan Lu, University of Technology Sydney, Australia

Program Chairs

Lin Chen, Chinese Academy of Sciences, China (Tohoku University, Japan)
Hee-Je Kim, Pusan National University, Korea
Chengke Zhou, Glasgow Caledonian University, UK

Publication and Submission

All papers submitted to the conference will be subjected to the rigorous peer-review process. ICSEE 2020 all accepted papers, some excellent selected papers will be published into the conference proceedings, which will be sent to be reviewed by Ei Compendex and Scopus.

Submit full paper or abstract by:

<http://confsys.icconf.org/submission/icsee2020>

You can also submit by email: icsee_conf@163.com

Call for Papers

Topics of interest for submission include, but are not limited to

Distributed power generation	Natural gas research and development
Realtime monitoring of the power grid	FACTS and HVDC controllers
Redesigning the transmission network	Green Energy in Transport
Pros and cons of Microgrids	Biofuels in developing economies
Limitations of green energy generation	Hybrid vehicles and its integration
Load forecasting	Green Buildings and Infrastructures
Power electronics devices for integration of renewable energy sources	Energy efficiency in building designs and management
Battery technologies for intermittent power sources	Integration of renewable energy sources buildings
Next generation energy management systems	Green Energy Education and Training

Important Dates

Submission Deadline: Before January 15, 2020
Notification of Acceptance: February 5, 2020
Authors' Registration: Before February 20, 2020

2020 4th International Conference on Sustainable Energy Engineering
2020年第四届可持续能源工程国际会议

Beijing, China | May 23-25, 2020

ICSEE 2020

2020年第四届可持续能源工程国际会议(ICSEE 2020)将于2020年5月23号到25号在中国北京召开。会议旨在促进可持续能源工程等领域的学术交流与合作,热忱欢迎从事相关技术研究的专家、学者和专业技术人员踊跃投稿并参加大会。

会议委员会

会议主席

Zhixin Wang, Shanghai Jiaotong University, China
Dylan Lu, University of Technology Sydney, Australia

程序委员会主席

Lin Chen, Chinese Academy of Sciences, China (Tohoku University, Japan)
Hee-Je Kim, Pusan National University, Korea
Chengke Zhou, Glasgow Caledonian University, UK

出版与文章投稿

经严谨的审稿流程,所有被接收且成功注册,参会报告的文章将出版到ICSEE 2020会议论文集,实现EI核心&SCOPUS检索。

欢迎您通过以下方式投稿您的全文或者摘要:

<http://confsys.iconf.org/submission/icsee2020>

重要时间

投稿截止日:2020年1月15日

通知日期:2020年2月5日

注册截止日:2020年2月20日

征稿主题

Topics of interest for submission include, but are not limited to:

Distributed power generation	Natural gas research and development
Real-time monitoring of the power grid	FACTS and HVDC controllers
Redesigning the transmission network	Green Energy in Transport
Pros and cons of Microgrids	Biofuels in developing economies
Limitations of green energy generation	Hybrid vehicles and its integration
Load forecasting	Green Buildings and Infrastructures
Power electronics devices for integration of renewable energy sources	Energy efficiency in building designs and management
Battery technologies for intermittent power sources	Integration of renewable energy sources in buildings
Next generation energy management systems	Green Policies and Programmes
