ICSEE 2018 CALL FOR PAPERS

2018 the 2nd International Conference on Sustainable Energy Engineering

2018 the 2nd International Conference on Sustainable Energy Engineering (ICSEE 2018) will be held in Sydney, Australia on June 15-17, 2018. ICSEE 2018 will bring together the top researchers from Asian Pacific nations, North America, Europe and around the world to exchange their research results and address open issues in sustainable energy engineering

Paper Publication:

Published papers will go through a rigorous full peer review process. The conference proceedings, which will be available both on a USB drive and submitted for **Ei Compendex, Scopus**, Thomson Reuters (WoS), Inspec, et al., are expected to be widely read and cited like ICSEE 2017. ICSEE 2017 Conference Proceedings has already been indexed by Scopus and Ei Compendex already.

Submission Method

1. Abstract submission
(It can be accepted for presentation only)
 2. Full paper submission
(It can be accepted for publication and presentation)
- EasyChair: <https://easychair.org/conferences/?conf=icsee2018>

Conference Committee

International Advisory Committee

Prof. Udaya K. Madawala, The University of Auckland, New Zealand

General Chair

Prof. Tyrone Fernando, University of Western Australia, Australia

Local Chair

Prof. Dylan Lu, University of Technology Sydney, Australia

Program Chairs

Prof. S. M. Muyeen, Curtin University, Australia

Prof. Herbert Lu, University of Western Australia, Australia

Topics

Topics of interest for submission include, but are not limited to:

- Distributed power generation
- Real-time monitoring of the power grid
- Redesigning the transmission network
- Pros and cons of Microgrids
- Limitations of green energy generation
- Load forecasting
- Power electronics devices for integration of renewable energy sources
- Battery technologies for intermittent power sources
- Next generation energy management systems
- Sustainable coal use and clean coal technologies
- Natural gas research and development
- Carbon and Methane capture, storage and utilization
- Electric Power Generation, Transmission and Distribution
- Power system economics, operation and control
- Microgrid and active distribution network management
- FACTS and HVDC controllers

More topics:

Tel: +86-13731111131

Conference Schedule

June 15, 2018 10 am--5 pm

June 16, 2018 9 am--12 pm

June 16, 2018 1:30 pm--6:30 pm

June 17, 2018 9 am--5 pm

Registration, Collecting Conference Materials

Opening Remarks & Keynote Speeches

Plenary Speeches and Parallel Sessions

Social Program: Tour in Sydney (Optional)
